Re: Welch v. Bio-Reference Laboratories, Inc.,
Civil Action No: 19-cv-846

Dear Judge Stewart:

At the Courts request, today I sent another letter to Ms. Welch which outlined the relevant details of her signed settlement agreement. On December 23rd Ms. Welch came to my office and took as much time as she desired to read the settlement agreement and did not object to nor request clarification of any part of the agreement before initialing and signing the same. On that same date per her request I provided her with her complete file and she signed a receipt for the same acknowledging that my representation of her was at an end.

This would be the second letter I have sent Ms. Welch regarding this issue and I believed that this would resolve any misunderstanding that developed after receiving her disbursement check.

I advised her that if my letter did not clear up any misunderstanding that she should let the Court know.
